Governor of District 12: Betty Edwards

## President's Message for April...

First of all, I want to apologize to the members of the "coffee club". I knew they would not be the only ones with concerns, but felt they probably had discussed the concerns at their meetings so would be able to state their concerns well. And was I ever correct. They came through magnificently. I have received wonderful letters explaining the concerns and ideas to help us work on them. I want to especially thank those people who took the time to organize their thoughts and then get the information to me. I plan to start working on the issues at the April meeting. It may take several meetings, but I feel this is important for the club. Thank you all you special members.

I also want to thank all the members that came to my house and expressed their concerns. I think there was a good discussion and I appreciate all the input.

CONGRATULATIONS TO CATHY CONLEY AND JENNIFER LAMB. Thank you to all the members of the fashion show committee. The fashion show was a marvelous event. Except for my calling it the Conflict Club instead of Center, I felt the day was a wonderful success (Elizabeth Loescher forgave me my slip of the tongue.) The raffle went very well and efficiently - thank you Julie and 11 of the members who helped with the sales and then distribution of the prizes. The decorations were impressive. An outstanding job! Thank you to all the members of the club who helped make the fashion show a success.

Don't forget the elections will be held at the April meeting. Also please get your committee preference form to Margaret as soon as possible. She will be working on her committee assignments soon. I look forward to seeing all of you at the April meeting.  
Cynthia

### **Young Woman In Public Affairs Award Winner**

Dear Zonta Club Members:

Thank you so much for the wonderful evening as well as the scholarship money. I appreciate all the help I can get for financing my college education. I was very inspired by all the work you do at Zonta, and know that for the rest of my life I will continue to serve others.

Thanks again. Sincerely, Jessica Lone

Your **Alternative Fundraising Committee** has been hard at work researching possible fundraising events that the entire Club Membership can support and participate in.

What type of activity do most women  
(and even some men) enjoy?

Committee will be meeting on April 5th with additional information going out to the membership before our next meeting on the 11th. Come join us at our next General Membership Meeting in April when we present some great possibilities.

Please plan on attending so we can all work together on ideas and possibilities. We want to hear your input on this crucial part of the Club's responsibilities. Hope to see you there!

### From your Treasurer:

- Membership renewal statements will be available at our April meeting. This is your opportunity to renew your commitment to Zonta to be an active member of our organization. Dues need to be paid by May 15th.
- If you need to be reimbursed for a Zonta expense, please have that request to me by May 15. No expenses will be reimbursed after our fiscal year has closed.

**Bourke-White, Margaret  
(1906-1971), photographer**

Born on June 14, 1906, in New York, NY, Margaret White studied at Columbia University, the University of Michigan, Western (now Case Western) Reserve University, and Cornell University (A.B., 1927). She had already taken up photography, first as a hobby and then, after leaving Cornell and moving to New York City, on a freelance professional basis. There she quickly established herself as an architectural and industrial photographer. For her professional name she combined her own last name with her mother's maiden name (Bourke) to create the hyphenated form by which she was known thereafter. Beginning her professional career as an industrial and architectural photographer in 1927, she soon gained a reputation for originality, and in 1929 the publisher Henry Luce hired her for his new Fortune magazine.

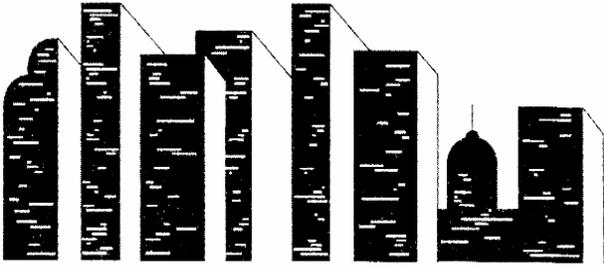

While photographing the Krupp Iron Works in Germany and the First Five-Year Plan in the Soviet Union, she developed her personal photojournalistic style. She became one of the first four staff photographers for Life magazine when it began publication in 1936, and her photograph of Fort Peck Dam appeared on the cover of the first issue.

In 1935 she met the Southern novelist Erskine Caldwell, to whom she was married from 1939 to 1942. With him she collaborated on three illustrated works: You Have Seen Their Faces (1937), about Southern sharecroppers; North of the Danube (1939), on life in Czechoslovakia before the Nazi takeover; and Say, Is This the U.S.A. (1941), an American panorama.

With the outbreak of World War II, Bourke-White covered the war for Life and was the first woman photographer attached to the U.S. armed forces. Crossing the Atlantic to North Africa, her transport ship was torpedoed and sunk, but she survived to cover the bitter daily struggle of the Allied infantrymen in the Italian campaign. She then covered the siege of Moscow. Toward the end of the war, she crossed the Rhine River into Germany with General George S. Patton's Third Army troops. Her photographs of the emaciated inmates of concentration camps and of the corpses in gas chambers stunned the world.

After World War II, Bourke-White traveled to India to photograph Mahatma Gandhi. She also recorded the migration of millions of persons caused by the division of the Indian subcontinent into Hindu India and Muslim Pakistan. During the Korean War, she was a war correspondent traveling with South Korean troops.

In 1952 Bourke-White was stricken with Parkinson's disease. Subsequently, much of her time was devoted to writing, but she also continued to photograph. Two of her last photo-essays were on the Jesuits in America and on the United States as viewed from the air. She retired from Life magazine in 1969 and died in Stamford, Connecticut, on August 27, 1971.

### SERVICE OPPORTUNITIES UPDATE

We have heard you and your ideas, so this is the latest information on Service Opportunities through your Zonta Club of Denver! Additional Service Opportunities will be added, or dropped from the "Upcoming Service Opportunities" Table as the year progresses. Look for this Table in your monthly Smoke Signal to keep informed of new and fun opportunities.

Every Service event or project needs someone to love, nurture and allow it to be successful, in one word a "Leader". Can you be the Zontian Service Coordinator (ZSC) for a Service Opportunity that you really care about? It's easy and doesn't take much time. And remember, there is a Service Committee Member that can assist you with some of these duties:

- Ensure that the Club Membership is informed of the details surrounding the Service Opportunity (this is the organization's name, address, date/s, times & tasks necessary for supporting the event.)
- Ensure that a sign-up sheet is available at our General Membership Meetings.
- Ensure that the event is featured in the Smoke Signal.
- If there are time constraints (less than 4 weeks) be certain that the membership is notified (via email or telephone) of the event.
- Communicate and coordinate with the organization of our involvement and the number of volunteers that will be available for the event.)
- Inform the Club volunteers of their responsibilities and other assistance as necessary.
- Final follow-ups with the organization and Club Members to confirm that this was a win-win project for all participants. (This can be as simple as speaking with everyone and doing a verbal report at the Monthly General Membership Meeting.)

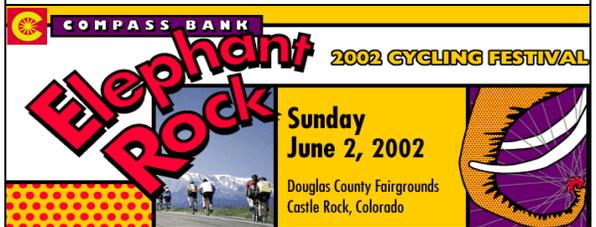

#### Zonta International Service Projects Through the Years (part 1)

1956	<b>Zonta International</b> provided direct aid for Hungarian refugees.
1959-1961	<b>Zonta International, in cooperation with the United Nations World Refugee Year</b> , supported the Anne Frank Village to aid refugee families in the Federal Republic of Germany.
1962-1974	<b>Zonta International</b> supported the United Nations Relief and Works Agency for the Vocational and Teacher Training Center for Women in Ramallah, Jordan.
1972-1974	<b>Mobile Medical Units project in cooperation with UNICEF</b> served the health needs of children and mothers in rural areas of Ghana.
1974-1976	<b>The Pan African Training and Research for Women project in cooperation with UNICEF</b> focused on the recruitment and financing of the African Women's Volunteer Task Force which addressed the needs of women in rural areas.
1976-1982	<b>The Columbian Urban Slum project in cooperation with UNICEF and the Columbian Government</b> resulted in the construction of and provision of equipment for health and education centers.
1982-1986	<b>The Well Water project in cooperation with UNICEF</b> in Sri Lanka provided safe drinking water to 350,000 dry zone settlers.

Dear Friends:

The Denver Ronald McDonald House and our families appreciated the wonderful dinner you brought to the House for them on March 18th. Many of our families spend days and nights at the hospital with their child, taking turns spending the night at bedside. To come back to the House for a break, a hot meal, and others who care is such a gift. You provided them a nourishing meal to renew their spirit and keep up their physical strength. Thank you so very much for sharing your strength with us.

Jan Parks, Front Desk Volunteer

Zonta has once again been invited to help with the aid stations or lunch serving at the 2002 Compass Bank Elephant Rock bicycle tour in Castle Rock on Sunday, June 2nd. Last year the emerging Zonta Club in Castle Rock received \$750 from this event with our help. Anyone interested in helping them this year (potential members in Castle Rock will be participating) please contact Janell Will at janell@att.net or 303-814-1263 hm

(I think I can say that everyone who participated last year had a great time and I will be participating this year—my husband will be riding.—Julie Bradley)

**Zonta Club of Denver  
General Meeting  
March 14, 2002**

**Call to order** - President Cynthia Herndon called the meeting to order at the Marriott Southeast. Barbara Pellegren offered the invocation.

**Minutes** from February's meeting were approved as printed in the Smoke Signal.

**Treasurer's Report** - Nikki asked everyone to refer to the Profit / Loss Statement printed in the Smoke Signal. She also reported that there was a net profit of \$390 from the Ameila Earhart dinner. These profits were sent to the International for the Amelia Earhart Scholarship Fund.

**Committee Reports**

**Membership:** Evie reported that we had 30 people for dinner this evening with four guests. She also noted that she will be out of town and that next month's dinner reservations and cancellations should be called to Eve Childs-Best.

**Service:** Margaret was out of town with a family emergency so Diane reported that Committee Members had found many opportunities for "hands on" Service. Diane noted that most Club Members want projects that allow them to interact with at least one other Member. Therefore, most Service Opportunities will support that desire. She also noted that every Service Opportunity needed a coordinator to ensure that all facets of the project would be covered. Service Projects will be published in the Smoke Signal and announced at meetings. If there isn't adequate time, an attempt will be made to contact all Club Members via email and telephone. All Club Members were encouraged to bring Service Projects to the membership. More details will follow in the Smoke Signal. She also reminded everyone how important the Service Hour Forms are for the Club and encouraged everyone to complete and send in. Linda Rhea announced the Channel 9 Health Fair needed volunteers for April 20 and passed around a sign-up sheet.

**Fundraising:** Cathy and Jennifer reported that Fashion Show preparation is going 'smoothly' and they are ready! Nick Carter from Channel 9 will be our MC. Julie Bradley stated that we are approximately half way to our raffle sales goal. She also needs volunteers to sell raffle tickets at the Show. A special solicitation email for the Fashion Show and Raffle was developed and will be sent to all members for their use. This format has been very successful for some members.

**Status of Women:** See Program.

**Public Relations:** Wendy reported that erroneous information had been given to a publication. In the future, please let her know if you have provided Club information to the media or direct any inquiries to her attention; in this way the Club can be certain that the information is consistent and more important accurate. She has gotten Fashion Show information out to most of the media so our coverage should be very good.

**Program**

The Speaker was Linn Gunsberg. She offered reminisces about her life and things she has learned. Originally a native from New Zealand, she has had three marriages and numerous careers. She currently has a radio show on Sunday evenings on KHOW and is a clairvoyant. As a fun exercise, she performed a reading for one of our members.

Our Grant Award for the Metropolitan State College Scholarships was presented to Mary Feller and one of our previous scholarship recipients, Paula McIntire. Mary announced that this year's enrollment at Metro is the highest it has ever been (18,500) and noted that our scholarships were going to 4 different students with degree majors in: Art, Human Services and Music. Paula gave an excellent speech noting that as a single Mom, our scholarship made the difference in her being able to stay in school versus giving up her goal for a better life for herself and her child.

**Unfinished Business:**

Elizabeth Clinton reminded everyone of the Area 3 Meeting on April 13 and encouraged everyone to send in their registration forms.

Cynthia reminded everyone about the District Cell Phone Project; don't forget to bring in your old cell phones.

**New Business:**

Cynthia noted that there have been some concerns expressed regarding the Club's status. She invited everyone who was interested in this discussion to attend the next Board Meeting. Please RSVP so she can be certain to have enough seating. If follow-up discussions are necessary, Barbara Pellegren offered her home as a meeting place.

**Announcements:**

The proposed slate of new Club Officers was announced as printed in the Smoke Signal. A motion was made, seconded and passed, nominating Carmen Teufel as Secretary. She was added to the slate.

There being no further business, the meeting was adjourned.

Respectively submitted, Diane Twining, Secretary.

## Committee Preference Form

The names of committee Chairmen and committee members must be submitted to the new Board for approval at the May Board Meeting. It would be appreciated if you would give some indication of your committee preference on this form and return it to the April Business Meeting.

The chairman of each committee is responsible to the President for all aspects of her committee's work. Each committee has responsibilities outlined in the by-laws. Each committee will also decide how these responsibilities will be managed (committee of the whole, sub committees, etc.)

If you have been a member of the same committee for two or more years you are urged to consider serving on a different committee. Varied committee experience should mean a richer more satisfying realization of the potentials of our organization and also a challenge to your own potentials.

Please check 1st, 2nd, and 3rd choice

1. \_\_\_\_\_ **Membership and Membership Services.**

Remember: All members of the Board membership will be chairs of the committees and you will only be on one committee....

In checking any of the above, if you have a particular area within a given committee you would like to work, please indicate it. The President will consider your wishes in making committee assignments; however, it may be necessary to assign members to a committee not indicated by said member in an effort to attain proper representation on all committees.
